Words from Cardinal Isao Tarcisio Kikuchi, President of the Catholic Bishops' Conference of Japan in the eve of the 81st Anniversary of Hiroshima and Nagasaki bombings.

All life is a precious gift from God. Regardless of nationality, ethnicity, or religion, everyone is given dignity by God. Protecting that dignity is the starting point of peace. Let us pray and act for peace. Let us pass down the memory of the preciousness of life. In our daily lives, let us choose

words of love rather than words of power, and nurture a civilization of love. Let us spread among those close to us the gospel of life of our Lord Jesus Christ who said, "Peace be with you."

"All difficulties in prayer can be traced to one cause - praying as if God were absent"

St Teresa of Avila.

Dear Friends,

In your prayers in the week ahead, may you sense God's presence, and recognise that your prayers matter – they are important.

We remember those suffering catastrophic fires in France and Spain ... and pray God's mercy and protection.

We continue to pray for peace between the nations, and we pray for an end of man's inhumanity to man.

We pray for the next generations – and all children in their vulnerability – guide, them, protect them and rescue them, Lord Jesus.

And we pray for ourselves and those we know – as God leads us.

May God empower your prayers.
